About The Cuban Affair

U.S. Army combat veteran Daniel “Mac” McCormick, now a charter boat captain of *The Maine*, is about to set sail on his most dangerous cruise.

Mac, with scars that don’t tan and a big boat loan, is sitting in the famous Green Parrot Bar in Key West contemplating his life, and waiting for Carlos, a hotshot Miami lawyer heavily involved with anti-Castro groups. Carlos wants to hire Mac and *The Maine* for a ten-day fishing tournament to Cuba, but Mac suspects there is more to this offer.

What Mac learns is that there is sixty million American dollars hidden in Cuba since Castro’s revolution. And with the “Cuban Thaw” underway between Havana and Washington, it’s only a matter of time before someone finds the stash—by accident or on purpose. Along with the help of Carlos’ clients, Sara Ortega and Eduardo Valazquez, and *The Maine* hired hand, Jack Colby, Mac knows if he accepts this job he will walk away rich...or not at all.
